**NOTICE OF CROSSWALK INSTALLATION PROJECT
ON HUNTINGTON PARKWAY AT HAMPDEN LANE**

Dear Resident:

This letter is to inform you of the upcoming pedestrian improvement project in your community. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of installing a pedestrian crosswalk and Americans with Disability Act (ADA) ramps on the east side of Huntington Parkway at Hampden Lane.

The work will be performed by D & F Construction, Inc., and will include: Removal and replacement of sidewalk, curb and gutter on the eastern side of the intersection of Huntington Parkway at Hampden Lane, installation of ADA ramps at each end of Huntington Parkway, and installation of a crosswalk and walkway in the traffic island at this location to improve pedestrian accessibility. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the crosswalk installation project and during construction activities.

This project is scheduled to start on or about May 12, 2014, and will require approximately three weeks to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. This project will require temporary lane closures and parking restrictions within the construction work zone. We apologize for any inconvenience this project may cause and appreciate your patience during the construction activity. If you should have any questions or comments feel free to contact:

DOT Project Manager: Mr. Yisa Adegun 240-777-7641

Should you have any further questions or concerns after the work is completed, you may wish to contact MC311 at <http://www3.montgomerycountymd.gov/311/>

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

Yisa Adegun
Project Manager

NOTICE OF HUNTINTON PARKWAY PEDESTRIAN IMPROVEMENT PROJECT

SAFETY NOTICE

Please remember that while repair work is proceeding, construction vehicles will be moving around. Some materials may be stored in the area. Please use caution when walking or driving through the construction zone. Children may be attracted to the noise and machinery, so please keep them under supervision at all times, even after the work is completed for the day. Also, please follow the direction of flaggers and temporary signs and traffic control devices. We appreciate your patience and cooperation while we make these much needed improvements to the infrastructure.
